Several of the evening courses at the Albany Evening High School, 603 Key Route Blvd., are being offered in Albany for the first time. Among these new courses, according to Robert G. Dennis, principal, are the following:

Braided rug making, Tuesday and Thursday evenings; Food purchase and preparation, Tuesday evenings; landscape Gardening, Monday and Wednesday evenings; Word Analysis and Vocabulary Building, Monday and Wednesday evenings.

Those interested in these or any other of the 33 day and evening courses given by the Albany Evening High School should call LAndscape 5-5864 (days) or LAndscape 5-7131 (evenings) for additional information.

Motorists driving in heavy traffic must be constantly alert to avoid rear end collisions, cautions the California State Automobile Association. It is necessary not only to watch the car ahead, but also the car behind. Any driver who allows his attention to be diverted for an instant, in heavy traffic, creates a serious traffic hazard.

### M'GREGOR DAY FETE SATURDAY

MacGregor Day, annual Albany event looked forward to by every boy and girl in the city, is to be celebrated tomorrow, Saturday, September 21.

Honoring a builder who had a great deal to do with the development of Albany, the idea sprang from the fertile brain of Bea Raymond, local civic leader, many years ago and the affair has been a red letter day in the lives of the local kiddies ever since.

There will be two programs at the Albany theater, the first starting at 8 o'clock for the pupils of Cornell school and the second show starting at 10:05 a.m. for the pupils of Marin school. Jerry Neuhauer, director of the junior traffic police, will see that the youngsters enjoy themselves.

The show starts off with a wild western "The Roaring Rangers," and there are a number of special subjects such as "Alice in Wonderland," "Johnny Smith and Poker Huntas," "Mr. Chimp to the Rescue," the "Stage Surprise," and the laugh riot, "Idiot's Delight."

It's an all-star bill especially prepared for MacGregor Day so come on, kids, let's celebrate. Tickets will be given to children at Marin and Cornell schools Friday.

Courtesy on the highway will make the trip safer. Streets and highways are cooperative, not competitive, paths of activity.

## LUCCA LIQUOR STORE

MRS. LUCCHESI, Prop.

918 San Pablo

We all owe so much  
to SMALL BUSINESS

During the war years, small business accounted for about 30% of this nation's total war production. Without this winning margin of essential war material, the bitter conflict could have dragged on much longer, claiming the horrible sacrifice of many more thousands of American boys' lives. Had it not been for the superlative help contributed by small business we could have lost the war and with it our cause of freedom and free enterprise.

In recent months, with the abandonment of war industries and the demobilization of our armed forces, small business has again stepped forward in absorbing its full share of workers and returning veterans. What is more, many veterans are availing themselves of the opportunity of opening their own small businesses. They have justly earned and rightly deserve our wholehearted support and continuing patronage, as does small business, itself.

**Albany School District Spends \$97 Per Pupil**

Albany City Unified elementary school district's average total expenditure per pupil of \$97.83 for 1944-45 was less than the \$100.57 median or midpoint expenditure for the 29 school districts of 2,001 to 4,000 elementary average daily attendance in the state, California Taxpayers' association said today, making public the second section of its annual study of elementary school expenditures.

The district's \$70.08 expenditure per-pupil in average daily attendance for teachers salaries was the same as the \$70.08 median expenditure for teachers salaries by the districts in the same size group.

Other current expenditures of \$27.75 per pupil for 1944-45 were less than the \$29.88 median for other current expenditures of the districts with 2,001 to 4,001 elementary average daily attendance.
